

Come build the future with us.

militaryspouses

Amazon Web Services (AWS) is actively recruiting for our Technical Apprenticeship Program.

From day 1 of your training and education you are an Amazon employee. First learning and then applying your knowledge with on the job training towards a technical career throughout AWS.

Get a head start and take the assessment at [apprenticecareers.org](https://www.amazon.com/apprenticecareers)

- Apprenticeships start throughout 2020
- Some roles require a Top Secret Clearance
- Apply to the role best suited for you at [amazon.jobs/mil-apprentice](https://www.amazon.com/jobs/mil-apprentice)

Classroom training and on-the-job training will be held in WA, TX and VA.
